

Terms of Use - B.E.G. BIM Application Suite

Version: 03-2020

All access and use of the "BIM portal" of B.E.G. Brück Electronic GmbH (following referred as B.E.G.) is subject to the following terms and conditions (collectively referred to as the "Terms of Use"). By accessing and using the BIM portal, you accept the version of the Terms of Use which is in force at the time of access. B.E.G. reserves the right to modify the Terms of Use from time to time at B.E.G.'s own discretion and without prior announcement. Continued use of this BIM portal will mean acceptance of the amended Terms of Use. You are responsible for informing yourself of the Terms of Use in force at the time of access and use of this BIM portal. If you breach any of the terms and conditions of the Terms of Use, your authorization to use the BIM portal automatically terminates.

Copyright

The content and layout of this BIM portal are owned by or licensed to B.E.G. and are protected under copyright and other intellectual property right laws. Any unauthorized use of the content may violate such laws. Any rights not expressly granted herein are reserved. Reproduction, transfer, distribution or storage of part or the entire BIM portal in any way without the prior written permission of B.E.G. is prohibited. With the exception of the pages bearing the mention "print this page" you may only print a single copy of the content for your own personal non-commercial use, provided any copy of these documents that you make retains all copyright or other proprietary notices and any disclaimer contained thereon.

Trade Name / Trade Marks

All trade names, trademarks, logos and pictures displayed on this BIM portal that belong to B.E.G. now or hereafter is/shall be the sole property of or are licensed to B.E.G. or its affiliate(s). Your access to this BIM portal should not be construed as granting, by implication or otherwise, any license or right to use any trade names, trademarks, logos and pictures appearing on this BIM portal without the prior written consent of B.E.G.

Access to the BIM portal

You must register before utilizing the BIM portal. By submitting the completed electronic form, the customer confirms their acceptance of this Terms of Use. During registration you will be able to choose a personal user ID and password. After submitting the registration form you will receive an automatic e-mail to activate your account. The access provided to the BIM portal is personal and cannot be shared with any third party. You shall keep the user id and password strictly personal and confidential and shall not provide or communicate this in any way whatsoever to a third party. Since the access to the BIM portal is linked to your professional occupation as an employee or a representative of a company selling our products you will notify B.E.G. in case your professional occupation changes.

B.E.G. has the right to block access after receipt of a notification regarding changes to your professional occupation from your employer or principal. B.E.G. reserves the right to block access or delete log-in credentials at any time. In particular, this may be considered if there are reasons to suspect misuse of the BIM portal.

You can request to have your log-in credentials deleted at any time without specifying a reason, as long as this does not conflict with any statutory provisions.

Disclaimer of warranty

B.E.G. does not warrant that the BIM portal will be error-free. This BIM portal is provided on an 'AS IS' basis, without warranty of any kind - either express or implied, including, but not limited to, a warranty of title, non-infringement, merchantability or fitness for a particular purpose and satisfactory quality; a warranty that the content of this BIM portal is complete, accurate or current; a warranty relating to the security of this BIM portal and that this BIM portal, including, without limitation, any backups of the data that are uploaded in the BIM portal, will operate without interruption or error. This BIM portal has inherent limitations, including, but not limited to, design faults and programming bugs. The entire risk to the quality and performance of the BIM portal is borne by you, and your responsibility to ensure that it does what you require it to do prior to using it for any purpose (other than testing it).

Limited liability

When using the BIM portal, you acknowledge and accept to use it at Your sole risk. You agree that under no circumstances, you will have any claim against B.E.G. or associated companies whether as employee, subcontractor, agent, representative, consultant, installer or otherwise for loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by you or any other party from any cause whatsoever, howsoever arising in connection with the use of the BIM portal even where B.E.G. was aware or ought to have been aware of the potential of such loss. B.E.G. is not liable for damages arising from any interruption to the BIM portal, for damages caused by technical defects or viruses (or similar disruptive elements). To the maximum extent permitted by applicable law, B.E.G. shall not be liable for any direct, indirect, general, special, incidental, punitive and/or consequential damages arising out of the use or inability to use the BIM portal. To the maximum extent permitted by applicable law, B.E.G. shall not be liable for any direct, indirect, general, special, incidental, punitive and/or consequential damages arising out of the inability to use any back-up data.

Indemnity

You shall indemnify B.E.G. and affiliated companies and hold them harmless against any claims which may arise from any loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by you or any other party whatsoever as a consequence of any act or omission of B.E.G. or affiliated companies, whether negligent or not, arising out of your use of the BIM portal or from any cause whatsoever, howsoever arising in connection with the BIM portal.

Governing Laws and Jurisdiction

B.E.G. operates and controls this BIM portal from locations within Germany. As such, the information contained on this BIM portal is hereby deemed provided in Germany and governed by and subject to the laws of Germany, without giving effect to any principles of conflicts of law. To the fullest extent permitted under applicable law, you submit to the exclusive jurisdiction of the courts of Germany.

Miscellaneous Terms

If any provision of this Terms of Use shall become or be declared unlawful, void, or for any reason unenforceable, such provision shall be deemed severable from this Terms of Use and shall not affect the validity and enforceability of any remaining provisions. This Terms of Use is the entire agreement between you and B.E.G. relating to the subject matter herein.
